Upcoming Events:

1. OER Dynamic Coalition Webinar: Action Area 3 Encouraging quality, inclusive and accessible OER

Save the date: Monday, 24 January 2022 (15:00 - 16:00 CET)

This webinar is intended share knowledge on the OER Recommendation Action Area 3: encouraging effective, inclusive and equitable access to quality OER.

It will aim to highlight innovative and inspiring initiatives and practices at institutional or national level that can be further adopted by Member States.

The webinar will address the following questions:

1. How can accessibility be achieved to provide quality OER for disadvantaged learners, persons with different capacities including Persons with Disabilities and thus facilitate ODL?
2. How can collective efforts developing OER appropriate, local, in indigenous languages and multilingualism can contribute to the achievement of inclusive and accessible education for all specially

1. Call to Action : Inputs for 2022 OER DC Webinar ar Topics

The OER Dynamic Coalition Webinar series will continue in 2022 around the key themes of Recommendation, please share your suggestions for topics.

2. Call to Action: Respondents For Questionnaire on Accessibility of OER

In the framework of the Zurich University of Applied Sciences (ZHAW) project to promote accessible Open Educational Resources (OERs), there is a call for interviewees who are creating OER in higher education.

The project, conducted by Prof. Dr. Alireza Darvishy and Ms Oriane Pierrès, seeks to help the open education community to guarantee that everyone benefits from OERs. Interviews (lasting 30 minutes to 1 hour) are being conducted online (via MS Teams or Zoom) from 10 January to 21 January in English

Chers collègues de la Coalition Dynamique REL,

Evènements à

3.

Dans le cadre du projet de l'Université des sciences appliquées de Zurich (ZHAW) visant à promouvoir l'accessibilité des ressources éducatives libres (REL), un appel est lancé aux personnes qui créent des REL dans l'enseignement supérieur. Le projet, mené par le professeur Alireza Darvishy et Mme Oriane Pierrès, vise à aider la communauté de l'éducation ouverte à garantir que chacun bénéficie des REL. Les entretiens (d'une durée de
