High-level political forum on sustainable development

Convened under the auspices of the General Assembly

18 and 19 September 2023

Item 4 of the provisional agenda*

Adoption of the political declaration of the high-level political forum on sustainable development

Draft resolution submitted by the President of the General Assembly

Political declaration of the high-level political forum on sustainable development convened under the auspices of the General Assembly

1. the political declaration, as annexed to the present resolution;
2. that the General Assembly endorse, at its seventy-eighth session, the political declaration as adopted by the forum.

18. We reaffirm our resolve to realize our vision of a world with access to inclusive and equitable quality education, universal health coverage including access to quality essential health-care services, social protection, food security and improved nutrition, safe drinking water, sanitation and hygiene, affordable, reliable, sustainable and modern energy, sustainable industrialization and quality, resilient, reliable and sustainable infrastructure for all.

34. We welcome the ongoing efforts of the UN development system to implement the reforms champi

countries to strengthen their scientific, technological and innovation capacity. We

(o) We will decisively an

(i) We will ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, strengthening the capacity to mobilize domestic resources and private sector investment in order to provide adequate and predictable means for developing countries, in particular the least developed countries, and to implement programmes and policies to end poverty in all its forms and dimensions and to create decent jobs.

(ii) We urge developed countries to scale up and fulfill their respective ODA commitments, including the commitment by many developed countries to achieve the target of 0.7 per cent of gross national income for official development assistance (ODA/GNI) to developing countries and 0.15 to 0.20 per cent of ODA/GNI to the least developed countries.

(iii) We call for improved international debt mechanisms to support debt review, debt payment suspensions, and debt restructuring, asc_
