Summary of debate

The Chairperson of the CI Commission opened the session, which resumed the debate on item 4.23. The draft resolution contained in document 42 C/38 was adopted with amendments.

The Chairperson of the CI commission invited the representative of the Director General to present the Item 4.4, concerning the Designation of the Moroccan International Centre for Artificial Intelligence (Ai Movement) as a centre under the auspices of UNESCO (category 2). The Resolution pertaining to this item was adopted without amendments.

The Chairperson of the CI commission then invited the representative of the Director General to present Agenda Item 4.18. Representatives of nine Member States and an observer took the floor during the debate. The Commission, considered the recommendations by the Legal Committee, and adopted the Resolution pertaining to this item with its annex, with amendments.
