

Radio, the Trusted Guide in a Changing World

I bjj YfgU' 8 YWUUhcb' cZ

< i a Ub' F][\ ty

World Radio Day 2024 marks 100 years of radio, a period in which it has become the medium that is arguably closest to human hearts and minds, providing news, entertainment and education in all corners of the world. It satisfies our need to be informed both for day-to-day decision-making and in times of emergency and crisis. Over thaa
